

Grace & Peace to all.

You did it for me

Welcome back to Staying Connected.

We are now at the mid point of Lent. We are trying our very best to follow our Lenten resolutions. Our focus is on Easter and we are almost there. We struggle, its not easy and sometimes difficult. We fall and our Lord gently picks us up. We cry and he wipes away our tears. We fall to our knees when we realize just how much we are loved by our God. We know God is Love and he is asking us to simply “*Love*”. So where do we start? How do we begin?

Blessed Teresa of Calcutta tells us so plainly.

“It is easy to love the people far away. It is not always easy to love those close to us. It is easier to give a cup of rice to relieve hunger than to relieve the loneliness and pain of someone unloved in our own home. *Bring love into your home for this is where our love for each other must start.*” (Taken from: The Little Black Book, Six minute meditations)

Blessings!
