

Staying Connected
Welcome

Grace & Peace to all.

I was listening to a homily by Father Al one Sunday and for some reason his words seem to echo in my mind. He said:

*“God manifest himself in ordinary things of everyday life.
Search for Him!”*

Let us begin our search at the table of the Lord.

Stewardship, the grateful response of a Christian disciple who recognizes and receives God’s gifts and shares these gifts in love of God and neighbor.

Blessings!
